- No **adverse weather systems** expected during this week (22 - 29 Dec 23)

WEATHER FOR COMING WEEK

- **Balochistan.** Mainly dry weather with cold temperatures will persist in all parts of the province.
- **Khyber Pakhtunkhwa.** Dry weather is expected in most parts of the area while cold temperature conditions with dense fog during morning and night times, are likely to persist in all parts of the province.
- **Punjab.** Dry weather, while dense fog/smog conditions will persist during morning and night times in various parts of the province.
- **Sindh.** Dry weather with cool nights and foggy / misty mornings are expected to prevail over the province.
- **Gilgit Baltistan.** Moderate snow is expected in high-elevated areas of the province.
- **State of AJ&K.** Cold weather with cloudiness with light precipitation is expected in most areas.
- **Islamabad Capital Territory.** Cold and partly cloudy weather is likely to persist with isolated showers.

GUIDANCE ISSUED

- PDMA's to undertake regular public awareness on all media channels / social media to maximise general public's knowledge on risks associated with winter season; colder temperatures, freezing rain, snowfall, fog, smog, etc.
- NHA / FWO / Local C&W Depts to ensure pre-placement of machinery and timely clearance of snowfall from roads / highways.
- Rescue Services, Armed Forces and leading NGOs / CSOs to ensure availability of personnel / equipment in the indicated areas & be on stand-by for rapid response in case of any forecasted adverse weather systems.

WEATHER OUTLOOK – TOURIST LOCATIONS – NEXT 7 DAYS		
Locations	Isolated Thunderstorm/Rain / Snowfall	Temperature (°C)
Murree	Light Snow	-2 to 8
Galiyat	Light Snow	-3 to 7
Naran	Moderate Snow	-3 to 8
Kaghan	Moderate Snow	-3 to 10
Malamjabba	Moderate Snow	-1 to 9
Kalam	Light Snow	-2 to 10
Neelum	No Snow to Very Light Snow	-1 to 2
Naltar Valley	Light Snow	-4 to 0
Rattu	Light Snow	-5 to 1
Skardu	Moderate Snow	-6 to 2

LOW VISIBILITY ADVISORY
Drive cautiously on roads (M1, M2, M3, M4, M5, M11 and M14) and link roads affected by dense fog/smog. Maintain a safe following distance and reduce speed to adapt to limited visibility.
Avoid high beams because they can reflect off fog/smog particles, worsening visibility. Stick to low beams instead. Use fog lights to improve visibility close to the ground.
Stay tuned to weather updates and be aware of any changes in visibility conditions during your journey.

TOURIST ADVISORY
Tourists visiting areas susceptible to snow are advised to remain vigilant as light to moderate snow is expected in different parts of the country.
Tourists visiting areas of Gilgit-Baltistan are highly advised to remain alert, as moderate snow, is expected in the coming days.
While light precipitation is expected in the coming days in AJ&K, tourists visiting Kashmir, especially Neelum Valley, should be prepared for chilly temperatures, particularly during the evenings and early mornings.
